MOTIVATION

I already did a semester abroad and it was one of the best experiences ever so I wanted to do another one. Moreover I love Spain, the weather, the food and I wanted to improve my spanish.

INSIDER TIP

For all early birds: the sunrise at the beach is stunning. For all late risers: from Valencia directly you can't see the sunset so well but in the National Park Albufeira (40 minutes away by bus) you have a great view and you can also do a sunset boat tour for 6€.

BIGGEST DIFFERENCE

The time when you have dinner. Back home in Austria I also eat „late dinner“ around 7:30pm but in Spain nearly all restaurants are just open at 8pm or even later

CHALLENGES & HURDLES

Finding the right courses because even though I asked a few times it turned out at the first class that all courses where teached in spanish and not in english.

FUN FACT

1. Fun Fact: Aqua de Valencia hasn‘t anything to do with water. It‘s an alcoholic drink with gin, vodka, orange juice and a dash of water
2. Fun Fact: Did you know that cockroaches can fly?? Neither did I, so watch out from June to September.
