MOTIVATION

I was motivated to gain hands-on experience in a dynamic and vibrant European city, while contributing to the growth of a local company's digital presence.

INSIDER TIP

Prioritize finding a condo or housing close to your workplace. This can significantly improve your daily commute, reduce transportation costs, and give you more time and flexibility in your daily routine, ultimately contributing to a better work-life balance.

BIGGEST DIFFERENCE

you're away from your family

CHALLENGES & HURDLES

Step out of your comfort zone, build new social connections, and create a support network, which can be a transformative and enriching experience while living independently in a new location.

FUN FACT

As an online marketing intern you often get to experiment with creative and innovative marketing strategies, which can sometimes lead to unexpectedly viral or successful campaigns.
