MOTIVATION

This university is perfect if you want to study in the US and experience the „American College Life" on a medium-sized campus.

INSIDER TIP

Join societies and clubs that interest you. Those are perfect opportunities to meet like-minded people!

BIGGEST DIFFERENCE

Students are very involved in campus activities and there are a lot of events happening on campus. Everybody is very friendly and would be happy to have a conversation with you!

CHALLENGES & HURDLES

If you are like me and don't have many classmates that live on campus, you may need to actively pursue friendships and join events to meet people!

FUN FACT

The university has a mascot, a bulldog named Griff II. You will often meet it on campus. If you are interested in joining Drake University, you can also be part of the Bulldog family!
